In September we have three exciting studies to choose from:

### **Enhancing Your Marriage** by Judy Rossi

Enhancing Your Marriage will encourage women to examine where they stand regarding the commitment they have to their covenant partner. You'll come to understand God's intent for the institution of marriage. There will be frank talk about subjects like anger, denial, divorce, guilt, intimacy, sexual sins, forgiveness, romance and submission. Through this challenging study, wives of all ages are called to examine their attitude about love and marriage as they relate to the truth found in God's word.

### **Becoming a Vessel God Can Use** by Donna Partow

What does it take to be a woman who makes a difference in her world? Do you have to be perfect? Do your spices have to be in alphabetical order? When you think about the kind of "vessel" you are, do words like chipped, cracked, broken, and dirty come to mind? Yet God accomplishes extraordinary things through ordinary people who believe God can and will use them, imperfections and all. Becoming a vessel God can use offers hope, laughter, and transformation to women who long to discover new confidence and significance.

### **The Book of 1 Thessalonians** by Saddleback Bible Study Series

A spiritual roadmap in a mixed-up world. This study will help you know how to live the Christian life as God intended it. Practical advice no matter where you are on your spiritual journey. How to live your faith in your everyday life and be prepared for His return.
